

## **Policy for Obtaining Virginia Eligibility For NREMT Practical Examination Out Of State Candidates**

Out of State candidates who wish to take either the NREMT Paramedic or Intermediate 99 practical examinations **MUST** have in their possession a *Virginia Eligibility to Test Notice* which has not expired, to register for a NREMT Intermediate or Paramedic Practical Examination in Virginia. Any candidate without a *Virginia Eligibility to Test Notice* will **NOT** be admitted to the test site.

Out-of-State candidates are required to submit their NREMT Authorization to Test (ATT) letter which was sent to them either by e-mail or via mail. This letter outlines the requirements for contacting Pearson-VUE to register for your written examination. Please e-mail (or fax) a copy of this NREMT ATT letter to Tom Nevetral ([Thomas.Nevetral@vdh.virginia.gov](mailto:Thomas.Nevetral@vdh.virginia.gov)) who will e-mail the candidate a *Virginia Eligibility to Test Notice*. NREMT ATT letters can also be faxed to Tom Nevetral at (804) 371-3409 (e-mail is preferred). If faxing please include the candidate's e-mail address with the fax.

If a candidate is "re-testing" a station(s) they should have in their possession the NREMT results letter **AND** practical exam results. These two documents will allow a candidate who is re-testing their practical station(s) admittance to the Virginia ALS Consolidated Test Site (CTS).

**Candidates MUST register with the Virginia ALS CTS and pay any practical testing fees as determined by the ALS CTS (practical testing fees may vary at different sites). The Virginia ALS CTS NREMT Intermediate and Paramedic Test Schedule can be viewed on-line at:**
